A Note From Pastor Andrew

This week has felt like whirlwind. Have you ever had a week like that, where you stop and realize it's only Wednesday, or actually when you stop and realize it's only Tuesday? That is this week for me. Here I am sitting at my desk and my brain keeps trying to tell me it's Friday. The weekend is about to start, right? Wrong...but I rejoice a little bit because feeling the week blow by provides me the chance to say, "Andrew, take time for God," and so I do. I get the notion, for a bit of prayer and devotion. I remember, God is on my/our side and I include Him in my day, as if He wasn't there already. Yet, how often do we stop to do such things? Make sure we include God in our day? I want to say this should be second nature to us, but is it? Perhaps, you could call this a pastoral challenge, to make sure and keep God consciously in our day to day happenings. I know I struggle to do that many days, but what about you?

On a different note, a few updates as the dust continues to settle. Soon we will have the "prayer room" cleared out, and we will be able to utilize the space for some other get togethers, and so will Maple Grove. Therefore as we take further steps in making this our new home, look forward to Lutheran 101 starting back up in September as well as other exciting team meetings. We also need more people to sign up for all our events both in and outside of the church: Lapeer Days, Spud Night, Movie Events, Worship Assistance, Food Bank, etc... A lot is happening here in this place and I for one am excited.

A special thanks to all of you for your continued support of CTK and our ministry, keep up the good work and bring a friend...or enemy...all of God's children are welcome.

God Bless,

Pastor Andrew

p.s. if and when you see Mike Hash make sure to thank him for all his hard work. He has been here nearly every day helping to find a place for all our stuff, truly a blessing. Also, make sure to be in attendance for his baptism August 31. I LOVE BAPTISMS!!!!

p.s.s. Thank you Linda Hash for sharing your husband.

Announcements

CTK Food pantry

The CTK food pantry is in need of all kinds of nonperishable food. Please help us restock!

Electronic Offering

Did you know you can have your offering automatically deducted from your bank account? CTK offers this program. It is easy and convenient. You decide the amount and the frequency of your automatic gift. Please see Terri Forthoffer or Sue Halamka for an authorization form.

Food Bank of Eastern Michigan

We are in need of someone to take over this program. Once a month the boxes need to be picked up in Flint and delivered to 4 different locations. If you are interested in helping with this please see Sue Halamka or Terri Forthoffer. The Senior Box program provides supplemental food boxes to people each month through our annual sponsorship. For \$200 (total), you will get a 45-50 pound box of non-perishable food every month for one year. Donations can also be made to CTK, "Food Bank", to help sponsor a person in need or to help purchase produce, meat and baked goods each month. We are looking for people to help with this awesome ministry. We are in need of people to go once a month to FBEM to pick up the Senior boxes and deliver them. Please see Terri Forthoffer or Sue Halamka for more information.

Holy SCRIP-tures

Great news comes to you from our Holy Scriptures program!!! Sorry for the delay but the

news has arrived! In April our program earned a net profit of \$211.65 and May/June we earned a net profit of \$134.01. The total net profit for the 2nd quarter of 2014 is \$345.36. The program is set up to donate 80% of the net profit to the building fund and 20% remains in the bank to maintain inventory and pay for software and shipping fees. We currently have approximately \$1400 in our inventory or immediate purchase. With this we are happy to announce that for the second quarter of 2014 our Holy Scriptures program is donating \$276.29 to our building fund. Increasing this amount is very easy! If we can have 80% of our families utilizing the program on a regular basis God only now how this number will increase.

Thrivent

We will be asking for congregation members to help with projects that we can do for people in the area ie: painting or minor home repairs, help with yard work etc. It needs to be a person or business (day care as an example) that has a simple project and can involve from 5-7 volunteers and will not cost more than a couple hundred dollars. If you know of someone that fits this criteria please fill out an application and it will be submitted to the Thrivent Board at their July meeting. These projects fall under the "Critical needs" category and are easily funded. Applications will be on the Thrivent Info board. Put the completed applications in the Thrivent mail slot in the office.

Thank-you in advance.
